Dear Jaime,

When I will come to Cartagena I will give you a big hug!!!

Terrific news!!!

Warm wishes

Hanneke

Dear Hanneke:

One hour ago, the Colombian Honorable Constitutional Court has approved the law for protecting epileptic people. I send to you the first message because you were the artifice. 8 million people (patients and families) will never forget you. Congratulations, Hanneke. It's a triumph for the humanity.

Very Cordially,
Jaime
